SUBJECT: MEDIA REACTION - MERCOSUR SUMMIT IN RIO

On January 21, conservative, independent "La Tercera" (circ. 101,000) carried an opinion column by journalist and former diplomat Jose Rodriguez Elizondo entitled "Mercosur: Histrionics and Strategy." Quote:

"One could say that Chavez' strategy is antithetical to Bolivar's dream of integration, but we cannot deny that it does exist. On the contrary, the rest of the region has focused on the dilemma of whether it is good or bad that after 9/11 the White House has eliminated us from its agenda. Instead of integrationist actions, we are like those dumb hares [in a fable] discussing whether their chasers are greyhounds or bloodhounds."
